## Greetings from the Boarding!

Time has passed as well as the year has ended. The New Year has started and many new resolutions to follow up with (which no one really does). During the past month, the boarding students were on their winter vacations back home and not much has taken place in the boarding after their return. We are here to share with you everything that has happened around the boarding with our fourth edition of The Boarding Chronicle!!

# Adventure @ Wonderla

By: Jayden & Samin

Wonderla was a boarding event which took place on Monday, 13th January. After a two hour bus ride we finally reached Wonderla. The first thing most of us had to do was rent out a locker, there was a whole swarm of people and so much pushing and shoving, you couldn't even see the line. In fact at one point a whole parade of guys stormed past us in a mad rush, pushing everyone in their way. After putting everything in the lockers we decided to go on the dry rides, it was difficult for us to pick what ride to go on because there were huge lines in every single ride. We tried to first find a roller coaster to go on, but we accidentally got in line for probably the slowest and shortest one there, meant for children. Afterwards we went for lunch at Wonder Chicken. We also bumped in to many of the other boarders at lunch and heard their stories from the rides that they had gone on before lunch. Seemed like everyone was having a great time. After lunch was when the real fun started, we changed and quickly went into the water, went down a few slides and afterwards made our way towards the biggest slide, it was called The Twister. The line was so long, close to 30 minutes for that one slide, but it was worth it, the turns would fling a person up the sides of the slide. After this we went to the rain disco, which was pretty much a room with lights, loud music and water pouring out from the ceiling, it was fairly crowded with people going crazy but it was some experience. We decided to go on dry rides after the rain disco so we changed back into regular clothes and Sam and I went on a giant ride which flung you upside down in a huge arc while the others were eating ice-cream. To finish our day at Wonderla, we went on a Ferris wheel where we had a view of the whole amusement park and the surrounding forest.

The point was that everyone was together and everyone had a lot of fun! Suffice to say, Wonderla was wonderful, despite the slow start.

## **What is your motive behind the tuck shop?**

My main motive behind setting up the tuck shop is to satisfy the boarders needs without having to go on the Saturday outings just for minor requirements that will be available in the Tuck-shop. This Tuck-shop will be very beneficial during the times of exams where many would not want to go for outings and we can cater with their necessities.

## **What are you planning to sell in the tuck shop?**

We are planning to sell varieties of items such as light bites, snacks, chocolates, noodles and drinks. However, this will be changed over time depending on the demand of the students.

## **When will the tuck shop be operating?**

The tuck shop will be operating everyday from 5:45 to 6:20 except for Sunday.

## **Who are involved and part of the process?**

Lee led the team initially and got the proposal ready for the approval from the Head of School and Board of Directors in December. Due to exam preparations she has passed it on to me and I have taken the lead. We have a few volunteers in the Tuck-shop committee that includes:

Akshata, Hannah, Abreez, Seung Ho, Lee, Jaharvi, Nishant, Gautam, Mohan, Sharad, Sukanya, Vignesh and myself.

## **When is the tuck shop planning to be opened?**

The Tuck-shop will start operating on the 26<sup>th</sup> of January 2014.

## IB2 BAKING EXPERIENCE (19<sup>TH</sup> January 2014)

Last Sunday, the students of IB 2 were honoured to be part of the Italian cooking class. We learnt how to bake delicious cake. More than baking, decorating was a more interesting aspect of the class. We learned numerous ways to decorate the cookies. It was fun because we felt a relief from all the rigorous studies. Except for that, it was also a great first-hand experience. I would like to thank Mrs. Mendoza for sparing her busy time and taking this wonderful session with us. I would also like to thank our boarding parents for giving us this fastidious opportunity. Overall, it was indeed a marvelous and enlightening Sunday!
