SPRING 2014 → | ← SUMMER 2014

Greetings from the Boarding!

Time has flown very quickly. A lot of events have happened everywhere around the boarding. Spring is almost over and summer is around the corner. All the boarders have just returned from their beautiful spring break. It's the time of the year when we wish farewell to all the IB2'S. Here we are to share with you everything that has happened around with our seventh edition of everyone's favourite chronicle.

Floodlit FOOTBALL Tournament

By: Karthik Muralidharan (Grade 10A)

Like for all other events in the boarding, the first thing needed was to form a committee. Aarya, Mahesh, Saahil, Zeeshan, Satveehan, Kunal and myself, Karthik, formed a team and started the preparations for the tournament. We discussed the format, time limits and most importantly; the players. Mahesh created and put up a squad sheet where all willing participants could sign-up. We got a total of 36 players and so they were equally divided into 6 teams. This was the most challenging process as it was difficult to keep teams balanced and fair while ensuring the players' happiness. We made a general team roster only after a few days. There was a general agreement with the final but, as it turned out during the tournament, it was not completely fair. The team 'Tzinga FC' was an underdog, additionally considering that Simon (one of their players) was injured (but still I feel they were a dangerous opponent during the last group match of group A). Also the 'Phenomenals' was the most overpowering, thanks to the addition of Aarya to their strong team. Saahil and I were the main officials during the tournament and Saahil did a great job, he played all his matches and refereed the ones he didn't.

I would like to mention Simon who also officiated a large part of the tournament. We were all extremely thankful to him. The tournament began with the opening announcement by Sukanya and Tanushree. Grace, who happened to be leaving boarding for university, officially commenced the tournament. I would like to mark out a special team who despite seeming weak on paper, put up an extremely hard fight. This team is the 'Dark Nights'. Believe it or not, but the committee wanted to give this team different players as they seemed too weak! But they held up and against all odds and finished in third-place play-off where their great run was ended by Team India. Tanushree, Sukanya, Santiago and Sid were commentating throughout the tournament.

The two favourites of the tournament were Team 'Phenomenals FC' and Team 'Al Shababs'. They duly delivered as they both went to the final. The match went on to penalties, which were nerve-wrecking as Simon and I stood policing at the lines. The 'Phenomenals' kept their nerves better than 'Al Shababs' and took the trophy home.

Another special mention should go to Prince who kept the scores and wrote down every person who scored, which is not easy, as one needs constant concentration. During the tournament a small group of people selected the Keeper (Vignesh), Defender (Yuganth), Midfielder (Aarya) and Striker (Sangwon) of the tournament and the Dream Team. This group was Vignesh, Kaishu, Prince and myself. (Vignesh did not vote for himself). We all had a great time, the people who played and hopefully the people who watched!

Trip to Extreme Zone

By: Drishti Kishor (Grade 11/IB1A)

Despite being in boarding, the boarding students never miss out on fun. Our recent trip to "Extreme Sports" was one filled with adventure and fun. The journey to our destination might have been long but it was definitely worth the wait. The sports we participated in that day are: Kayaking, Team building, Paintball and Swimming. Whoa! That was exhausting. Many of us had tried those sports for the very first time and had enjoyed it thoroughly. It was a delight to see all happy faces at the end of the day! Not to forget, the beauty of the lakeside view was magnificent.

GOODBYE TO OUR EDITOR!

A very big thank you to Sid for helping us start this committee and for being such a great senior and always trying to help us between his busy IB deadlines and supporting us in every way he possibly could.
We'll miss you!

FAREWELL GUYS & GIRLS!

A memory lasts forever, never will it die... true friends stay together and never say goodbye...Goodbyes are not forever. Goodbyes are not the end. They simply mean we miss you until we meet again. We love you to infinity and beyond.

HAPPY MOTHER's DAY <3

Hundreds of dewdrops to greet the dawn,
Hundreds of bees in the purple clover,
Hundreds of butterflies on the lawn,
But only one mothers the wide world over.
~George Cooper

*Don't forget to wish your mother on mother's day even from the boarding.

IB JOKES

1. Student: So I was wondering... Why aren't we allowed to take five HL classes?

IB Coordinator: Because it looks bad for the IB program when students commit suicide.

2. IB Student 1: Did you understand a word of that math lecture?

IB Student 2: No, I was finishing the physics homework instead.

IB Student 3: Oh my god, do you understand the physics unit?!

IB Student 2: No, I was doing my math homework during the lecture.

3. During a break in the biology mock exam:

IB Student 1: What's evolution?

IB Student 2: It's when we finish this exam and half of us drop dead so that only the people who are smart enough move on to the next mock.

Editors' Note:

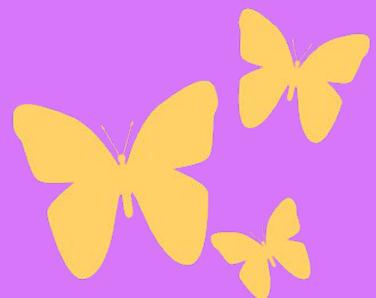

A very warm welcome from the editors of the CIS Boarding Newsletter.

We hope everyone had a very relaxing spring break, exams are a little more than a month away and a lot of people have started studying for them. Good luck to the IB2s for their final IB exams (IB is almost over, hang in there a little more!) and to the 10th graders for their final IGCSE exams. Not much will be happening in the next month but we will find something interesting to send out before everyone goes off for the summer.
